Academic Positions

Assistant Professor of Computer Science

UNIVERSITY OF RHODE ISLAND, DEPT. OF COMPUTER SCIENCE AND STATISTICS

- Chair and Faculty Senator: Technology and Infrastructure Committee
- Director: Human-Centered Experiential Technologies (HAX) Lab
- Co-Director: Virtual Readability Lab
- Research Associate: The Readability Consortium
- Research Associate: Univ. of Rhode Island Engineering for Democracy Institute
- Co-Founder: The Readability Foundation (non-profit)

Kingston, RI

Aug 2023 - Current

Education

Brown University, Dept. of Computer Science

PHD COMPUTER SCIENCE

- Advisor: Jeff Huang
- Thesis: Public Data Systems for Evolving Information

Providence, RI

2023

Brown University, Dept. of Computer Science

MSC COMPUTER SCIENCE

Providence, RI

2017

University of Limerick, Dept. of Computer Science and Information Systems

MSC MUSIC TECHNOLOGY, 1ST CLASS HONOURS

- Advisor: Kerry Hagan
- Thesis: Real-time Audio Spectra Manipulation with Adaptive FM Synthesis

Limerick, IE

2009

University of Rhode Island, College of Business

BSC MANAGEMENT SCIENCE & INFORMATION SYSTEMS, SUMMA CUM LAUDE

Kingston, RI

2008

Industry Experience

Lead Systems Programmer

BROWN UNIVERSITY, DEPT. OF COMPUTER SCIENCE

- Manage and lead the systems programmers and student interns.
- Manage distributed databases, data services, and network security.
- Develop predictive real-time monitoring for all security and data services.

Providence, RI

2018 - 2023

Research Intern & Consultant

ADOBE, CREATIVE INTELLIGENCE LAB

- Consult on Readability and Personalization Research.
- Manage all databases and analytics for readability research collaborations.
- Mentor other software and machine learning engineers to collaborate on research initiatives.

Cambridge, MA

2019 - 2022

Research Consultant

GOOGLE AND THE READABILITY CONSORTIUM

- Consult on Readability and Personalization Research.
- Develop prototypes for web-based Readability Research Toolbox.

Cambridge, MA

2022 - 2022

Senior Application Developer

BROWN UNIVERSITY, ICERM [NATIONAL SCIENCE FOUNDATION]

- Manage and lead software development team and databases.
- Lead developer for the National Science Foundation Math Institutes Join Media Database.

Providence, RI

2011 - 2017

Software Engineer

RPS GROUP

South Kingstown, RI

2010

Web Developer

UNIVERSITY OF RHODE ISLAND

- Division of Student Affairs: Manage web and data services for 50 departments.
- Conference Services & Special Program Development: Manage web, financial, and data services

Kingston, RI

2005 - 2010

Publications (Full Papers and Journals)

My work develops human-centered systems that improve how people create, interpret, and maintain information at scale, spanning evolving datasets, readable interfaces, and trustworthy human-AI interaction. I prioritize deployable prototypes and longitudinal evaluation in real-world settings.
